

# Shake Spears!

Instruction manual

## **WARNING: PHOTOREACTIVITY / EPILEPSY / SEIZURES**

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your doctor before playing.

**IMMEDIATELY DISCONTINUE** use and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- eye or muscle twitches
- disorientation
- any involuntary movement
- altered vision
- loss of awareness
- seizures or convulsion.

**RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.**

## **Use and handling of video games to reduce the likelihood of a seizure**

- Use in a well-lit area and keep as far a way as possible from the screen.
- Avoid prolonged use of the PS Vita system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

# Basic Controls

# Career

In this mode player has to win 20 tournaments symbolized by castle icons on the map. Every tournament contains 4 stages and final. Player always starts from the first stage. After winning all stages next tournament is unlocking. In case of defeat game ends and player must start over tournament once again.

Player is able to upgrade better gear, skills and buy new spells spending two types of currency; Gold coins and Crystals.

# Multiplayer

This mode allows to fight against other players. The city screen is also multiplayer menu. Main gameplay takes place in the Arena building where player can participate in the online tournaments. In other buildings players can upgrade items, weapons and buy new spells. Gold and rubies are two types of currency that is used in the Multiplayer.

# Survival

Player  
Level: 20

Player  
Level: 20

In the survival mode, player fights several opponents in a row without healing or regaining lost armor pieces. If player will make it through a round, he's armor will be restored. After several battles, Player will encounter a boss. After losing battle player is starting this mode from the beginning. He is also losing all gold and upgrades that he earned.
